This hereby certifies that all ceiling and wall panel acoustic products manufactured by Saint-Gobain Ecophon AB in the European production facilities (Sweden, Denmark, Finland, Poland):

- Are only manufactured using mineral wool certified by the European Certification Board for mineral wool products (EUCEB), which independently confirms that mineral wool is produced in conformity with the Note Q of European Regulation (EC) No 1272/2008 and therefore classification as a carcinogen does not apply
- Comply with Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) regulation of the European Chemicals Agency (ECHA) and therefore do not contain any Substances of Very High Concern (SVHC) with potential negative impacts on human health or the environment above 100ppm
